

NEW - solvoprint performance air-matrix

Designed for

- ideal suitable for longer term advertising messages on a wide variety of suitable surfaces
- suitable for vehicle advertising (no car wrapping) and signage applications on flat and slightly curved surfaces
- grey adhesive avoids shining through from substrate
- easy and bubble free to apply

Product Features

- 80 µm PVC, polymeric film
- white, glossy
- permanent dark grey adhesive, residue free removal
- special-PVC for printing with solvent-based and UV-curable inks
- also suitable for latex inks
- a special textured release liner embosses the adhesive coating
- the appearing fine 'air channels' allow a really easy mounting of bigger sizes
- highest colour brilliance
- no chemical reaction between adhesive and solvent inks
- stability up to 5 years in outdoor applications
- the base paper of our release liner comes from a PEFC certified source
- environment friendly waterbased adhesive
